- Key figures and events include Charlemagne, the Great Schism, the Crusades, and the fall of Constantinople.

**Renaissance**
- The Renaissance, which began in Italy in the 14th century and spread throughout Europe, is characterized by a revival of classical learning, humanism, and a new emphasis on the individual.
- Important figures include Leonardo da Vinci, Michelangelo, and Machiavelli.

**Impact on Modern Society**
- The concepts of democracy, human rights, and personal freedom that emerged during the Renaissance have had a profound impact on the political and social structures of modern Europe.
